

# KV AV

## **KV AV CHECKLIST:**

- 1 wireless lavalier microphone / Kelli travels with a Countryman headset (with adapters)  
This should easily fit into most standard mobile mic packs.
- 1 LCD Projector
- Sound JACK Needed for PC audio
- 1 projection screen(s) If attendees number more than 200, 2 screens would be better!
- 1 small prop table in front of room (by me on stage, about 4'x4', round or square WITH tablecloth)
- \*\*Please move PODIUM to the side or REMOVE it altogether for my part of program---
- 1 riser or step/s so I can walk out into crowd.

Speaker to provide PC/AND BACK UP presentation/PPT on USB for uploading into master PC if preferred
